### **SYLLABUS STATEMENT**

Advanced integration of concepts, perspectives, theories and skills with practicum experiences, developing conceptual frameworks of practice.

# **COURSE DESCRIPTION**

This course provides students with an opportunity to integrate theory and practice – that is, to link knowledge, skills and values derived from BSW social work courses and past experiences with the ongoing practice experiences in the field placement setting. The course provides students with opportunities to foster professional development and make connections between thinking, feeling and doing in relation to being a social worker.

Students will be expected to: 1. present and discuss practice experiences from their field placement settings using knowledge about various aspects of social work theory and practice; 2. critically reflect upon their own and others' practice experience; 3. engage in a collaborative learning process; and 4. demonstrate competence in their ability to identify, apply, critique, and evaluate theories and conceptual frameworks while in their practice setting.

Students will participate in collaborative discussions regarding professional issues, practice situations, and ethical dilemmas. While critically reflecting on experiences in practicum, students are encouraged to integrate knowledge and skills from the generalist practice framework into their own developing practice framework.

Course Hours: 3 units

Prerequisite(s): All required 300 level Social Work courses. University Transfer Route: Social Work 410 and 411.

### **COURSE LEARNING OUTCOMES**

The following course specific learning objectives (CLOs) are closely aligned with the BSW Program Level Learning Objectives (PLOs). By the end of the course, students will (be able to):

1. Identify, apply and reflect on their developing social work knowledge, values, and skills in the areas of generalist practice, reflective practice, competence with diversity, social policy and social justice, and professional identity/ethics; PLOs 1, 2, 3 & 4

- 2. Critically assess social work practice experiences through reflection, peer review, constructive feedback and consultation; PLO 5
- 3. Have an enhanced ability to identify the linkages between the personal experiences of individuals and issues of social structures, and to act appropriately in relation to these insights; PLO 6.2, 8
- 4. Examine, critically reflect on and discuss the applications of theory in practice and the suitability of various practice methods; PLO 10
- 5. Demonstrate entry-level social work intervention/response skills in specific area(s) of focus; PLO 9 6.
- 6. Consider and apply the CASW Code of Ethics in their social work practice and discussions; PLO 2 and;
- 7. Actively participate in class discussions and work collaboratively and collectively with other students in furthering learning and professional development. PLO 9.5

### **Program Level Learning Outcomes**

This course is designed to support students to achieve a number of core learning objectives outlined in the Canadian Association for Social Work Education Core Learning Objectives for Students Accreditation Standards http://caswe-acfts.ca/wp-content/uploads/2013/03/CASWE.ACFTS .Standards.Oct2013.pdf

#### **LEARNING RESOURCES**

### **REQUIRED TEXTBOOKS AND/OR READINGS**

Howe, D. (2009). A brief introduction to social work theory. New York, NY: Palgrave MacMillan.

Other readings may be assigned by the instructor and/or shared among students.

### **LEARNING TECHNOLOGIES AND REQUIREMENTS**

### Web Delivery

This course is entirely web-based, delivered through Desire2Learn (D2L) and Zoom Meeting platforms.

#### Desire2Learn

D2L is a course management system that will allow us to share resources, complete related learning activities, and connect with each other via the discussion board and Zoom.

### **Zoom Sessions**

Zoom meeting is an audio-visual, web-based program that will allow us to meet at a specific time for a "live" web conference, so that we can have the opportunity to see and talk to each other virtually and discuss relevant issues. In the Zoom sessions, students can expect to share ideas, give feedback and raise issues as they relate to their own practicum experience and that of their peers, and have the opportunity to process experiences from the field in a safe and instructional environment.

### **Discussion Board**

Online discussion in D2L is a key aspect of our learning in this course. The advantage of the discussion board is that it is asynchronous, that is, we can all contribute at a time that is convenient to each of us. We will participate in exploration of key field practicum themes (as outlined in the practicum learning agreement); case discussions, as well as discussion and debate relating relevant practice.

### **Confidentiality in Class and Course Assignments**

As professionals, students and the instructor will respect the guidelines of confidentiality outlined in the CASW Code of Ethics (2005). We will take care that no information that could identify a client of any service system be used in class meetings or in assignments. We will adhere to the policy that issues introduced in the seminar will be discussed in only general, and not particular ways outside the classroom.

# **RELATIONSHIP TO OTHER COURSES**

The emphasis of SOWK 413 is on practice, that is, social work in action. Because students are expected to apply knowledge, skills and values to specific situations, this course can be related to all other BSW courses. The seminar is taken in conjunction with and is directly linked to Practicum II (SOWK 412).

# ADDITIONAL CLASSROOM CONDUCT AND RELATED INFORMATION

### **USE OF INTERNET AND ELECTRONIC COMMUNICATION DEVICES IN CLASS**

The use of laptop and mobile devices is acceptable when used in a manner appropriate to the course and classroom activities. Students are to refrain from accessing websites that may be distracting for other learners (e.g., personal emails, Facebook, YouTube) during class time.

### Media recording for assessment of student learning

The instructor may use media recordings as part of the assessment of students. This may include but is not limited to classroom discussions, presentations, clinical practice, or skills testing that occur during the course. These recordings will be used for student assessment purposes only and will not be shared or used for any other purpose.

# **Zoom recordings of online classes**

The instructor may record online Zoom class sessions for the purposes of supporting student learning in this class – such as making the recording available for review of the session or for students who miss a session. Students will be advised before the instructor initiates a recording of a Zoom session. These recordings will be used to support student learning only and will not be shared or used for any other purpose.

# **ASSESSMENT AND EVALUATION INFORMATION**

Assessment Method	Assessment Description and Criteria	Due Date	Weight	Aligned Learning Outcomes
Integrating Theory and Practice (ITP) Loop	The intent of this assignment is to engage in reflective, collaborative social work practice using the ITP Loop Model and Peer Consultation. The ITP Loop Model provides a process for social workers to deconstruct their practice and break it down into its component parts. Practice is a fusion of listening, feeling, thinking, and acting, in which all these processes occur simultaneously. What may first appear to be intuitive can be carefully taken apart and analyzed, with the goal of improving field education experiences and social work practice. The ITP Loop Model consists of the following phases: retrieval, reflection, linkage, and professional response.	Step 1: May 22 Step 2: May 31	40%	1-7
	Step 1: ITP Loop Process and Write-Up Each student will apply the ITP Loop to a practicum experience and post a write-up in the discussion forum in D2L. The posting should be made up of the following sections: retrieval, reflections, linkage, professional response, and <a href="two">two</a> questions for peers that encourage critical reflection and reflexivity. The write up should be approximately 500 to 750 words in length.			
	Please post directly onto the discussion board rather than attaching a document. Detailed information will be provided in class.  Step 2: Responding to Others Students are expected to offer helpful, supportive, and resourceful consultation and feedback to their peers by responding to at least two other ITP Loop postings. Each response should be approximately 200 to 250 words. The responses will be assessed based on length and depth of response (i.e., illustrative of critical reflection and integration).			

		ı		1
	You will also be expected to respond to these posts from			
	your peers or instructor. At least two responses are			
	required, each approximately 250 words.			
	It is expected that all postings and responses will be			
	presented in a manner that ensures the respect, dignity,			
	and confidentiality for your classmates and for those			
	with whom we work and serve.

	be allocated based on the following elements:

	your practicum setting (where, who works			
	there, what type of clients you will be working

	impressions, questions, goals, challenges, and			
	successes in practicum.			
	2. Your ongoing participation in the Zoom			
	sessions/class discussions. Zoom session			
	attendance is mandatory and you are			
	encouraged to participate fully by sharing new

	relate to your field experience. Participation

	Your participation grade will consider the quality

Students will include:

- Sources informing your practice (theories, frameworks, approaches, literature, experience)
- Your social location and identity in practice
- Emerging strengths for practice and the gifts you offer to the profession
- Directions for future learning or practice (e.g., skills, topics, approaches, opportunities, further education or professional training)
- Strategies for continually improving and reflecting on your practice

Students will reflect on and respond to the following question:

 How did the classroom and practice learning from your BSW program influence the emerging social worker you are now?
